Getting In the Spirit: a Sapphire Falls novella Erin Nicholas

It's Christmas time in Sapphire Falls!

At least one good thing has come from Levi Spencer's car accident-- it seems to have knocked some sense into him. He's ready to leave his wild Vegas playboy ways behind and become a new man. And he knows just the place to do it... his brother Joe's new hometown. He's never spent time in a place described as quaint or idyllic, and now he intends to revel in every charming, sweet thing he can find. Like the homegrown country girl his brother sets him up with for the Christmas formal.

Kate Leggot wants just one great Christmas. After a childhood without Christmas at all and three failed attempts to find the seasonal magic on her own, she agrees to spend the holiday with her friend Phoebe in Sapphire Falls. The Christmas-crazy town is a far cry from San Francisco and Kate quickly finds herself drawn into everything from the snow to the hot cocoa. And, of course, the sweet country boy Phoebe has set her up with for the formal. Looks like she's going to get everything she wanted-- and more-- under the tree this year.

A not-so-little mix-up, a hot kiss under the mistletoe and a candy cane or two later and December in Sapphire Falls has never been so hot.

This is a novella, about half the length of the novels in this series. Read only if you like fun, small town contemporary romances where they talk dirty and act even dirtier.
