Damian has always followed the rules, always tried to please others. At 20, he still dates the girl next door because his parents like her parents. When his university roommate asks Damian to take over his pool-cleaning business so he can take an internship in London, Damian can't say no — especially to the first and only client, a rich widow. But widow Alexis Rosse is far from helpless or lonely. This beautiful financial genius is busy turning the markets upside-down, and she revels in sex wherever, whenever and with whomever she wants. Over the summer, Alexis gives Damian an intense education. Day after day, she pushes him to his sexual limits. The only question he has is: will she break them? “A deliciously sexy read!” — Dawn Torrens, author of *Amelia's Story* “Deliciously erotic, with something extra” — Frederick Lee Brooke, author of *Doing Max Vinyl* “So hot, you'll want your own pool boy.” — Charity Parkerson, author of *The Society of Sinners*
