**Peace on Earth?: Relax Christian, God still has your back.** David May

This book will probably not change who you vote for, but it may change why you vote for them. The premise is that God did not call us to legislate people to righteousness. Rather, he called us to lead people to Godliness by gentle teaching and preaching and by example. It is a quick read for less than \$8. It takes each of several things Christians worry about and puts them in a different context - one in which our focus is on eternity.
