THE ANGRY GREETING CARD COLORING BOOK – *Color your own Beautiful Coloring Pages and they're immediately ready to be sent as greeting cards!*

[Color, Cut & Send] FREE PDF by Emailing publishing company at the back of the book, or buy the paperback and get the Kindle version for free!!!

Create your own Unique Greeting Cards for Christmas, Valentine's Day, Birthdays & More with your pens, pencils, crayons, markers, or lipstick and send them to the people you really fucking hate!!! The main idea with this book was to provide the colorist with brilliant and stunning images to color, and then cut and send them as Greeting Cards alone or with gifts! Share your artistic creativity and make somebody in your life really happy!

This book has been a collaborative effort between artists, designers, and psychologists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random at first glance, but they're anything but.

Our idea with this project was to both inspire you, and increase neuronal activity and stimulation in a way that activates very unique parts of your mind. There are fields of research suggesting that both children and adults who work with coloring books and designs can effectively raise their IQ.

So have fun, relax, let the markers and pens do what they will, and hang on for an incredible, mind altering ride!

We hope to give the designer (you) a very introspective and mind expanding experience.

MARKER NOTE:

We RECOMMEND Colored Pencils, but if you feel like using markers, we suggest Staedtler Triplus Fineliner marker pens. They're easy to use and are very good when it comes to bleeding issues. We've chosen a paper that we feel offers the best compromise between durability and brightness so that your ideas come to life without being encumbered by the paper.

USE A PIECE of blank PAPER beneath your Greeting Cards as you color them, especially if you are using markers with alcohol in them. Ideally you would use map colors or colored pencils because they create the longest lasting unfading color.

PLEASE: Take pictures of your finished coloring designs and post them to CYNTHIA VAN EDWARD's Facebook page. Also, if you post them in a review we will send you a free copy of any of the other books Cynthia (or our other artists) have designed. So check us out and let's see what you're made of!
