The Education of the Negro: An Essential Preface to Understanding Carter Woodson's Classic "The Mis-education of the Negro" Carter Godwin Woodson

"The Education of the Negro," by Carter Godwin Woodson, is an essential preface to his minor masterpiece, "The Mis-Education of the Negro." Though often confused, these are two separate books. In "The Education of the Negro," Woodson addresses the education of African Americans prior to the Civil War—a period of time that is not usually addressed or taught. In contrast, "The Mis-Education of the Negro" addresses African American education from the Civil War period on. In the words of one reader, "Anything Woodson writes is a winner. I have enjoyed his other books as well. He can be highly controversial at time which lends such extraordinary flavor to his books. Enjoyed it and recommend it to all." "The Education of the Negro" is a must read for anyone interested in African American history, as well as anyone planning to read Woodson's classic sequel, "The Mis-Education of the Negro."
