Claire just wants to help get everyone out safely, but as the crisis escalates she realizes she's dealing with an al-Qaeda operative who has the means to become another bin Laden---with the potential to attack America. Claire has her own personal reasons for wanting to stop al-Qaeda, but time is slipping away as negotiations break down. Can she overcome her scars of the past in order to get the hostage out alive and possibly stop an assault on U.S. national security?

But when he is taken hostage and his brother is kidnapped, Rafe teams up with a hostage negotiator in order to stay alive and get his brother back. The terrorist is always one step ahead of them, however, and the situation quickly turns from desperate to deadly.
