B-Side Concerto: Book One of "The Sadlands Saga" (Volume 1) Robert Shannon Pelletier

What humanity knows of the darkness has been undeniably altered. The night sky now fills with mysteries that even the greatest scientific minds and most brilliant philosophical intellects cannot quite understand. In this world, Golgo Spiegel runs a comic book shop. He enjoys video games, Japanese giant monster movies, crab rangoon and the overall aesthetic of Sanrio character designs. Into his life of pacifism comes a chaotic whirlwind of rebellious energy that shall forever change his fate in exciting and visceral ways.

- A vicious Right-wing militia
- Introspective house pets
- Robots of questionable workmanship and design.
- A cat-eared quarter-life crisis.
- A Small Town pastor who will not shy away from a fight.

All of this and more can be found in the pages of "B-Side Concerto: Book One of the Sadlands Saga" .
