Barter Island

Peter Scott

Barter Island Peter Scott

In this sequel to Peter Scott's first novel, *Something in the Water*, islanders face another invasion, this one by refugees from the turbulent social upheavals of the late 1960s. In this book, hippies, Vietnam veterans, and back-to-the-landers bring with them beliefs and behaviors that seem to threaten the traditional island ways and outrage the islanders' sense of right and wrong.
