**Maude The Not-So-Noticeable Shrimpton** Lauren Child

**Lauren Child teams up with a debut illustrator to tell a cautionary tale about the surprising perils of craving constant attention.**

Meet the Shrimpton family — so talented, so eccentric, so larger than life, you couldn't miss them if you wanted to. Mrs. Shrimpton wears flamboyant hats, and Mr. Shrimpton's moustache makes quite a statement. The youngsters each have a stand-out quality: beauty, dancing, singing, a sense of humor that's a laugh a minute. Indeed, the Shrimptons live to be noticed — all that is, except Maude, who prefers to blend into the wallpaper. But when Maude receives a ferocious tiger for her birthday instead of the goldfish she asked for, might her talent for blending in come in handy? With stylized artwork evoking both *Vogue* magazine and Edward Gorey, here is a story to bring a smile to all the quiet stars among us.
