Percival Bland's Proxy and The Missing Mortgagee R. Austin Freeman

These are two short stories from the collection THE GREAT PORTRAIT MYSTERY: "PERCIVAL BLAND'S PROXY" and "THE MISSING MORTGAGEE", wherein the brilliant medical investigator, Dr. Thorndyke, solves murderous crimes.

Percival Bland was an uncommon criminal. He knew that his continual passing of counterfeit banknotes would eventually catch up with him, so he had a plan--precautions against the inevitable catastrophe. We can understand why he has created an alternate persona, Robert Lindsay, using disguises and renting two places of residence. No one seems to notice that he and his "cousin" Robert never are at their respective homes simultaneously, nor are they at home when the other visits, nor does anyone see the resemblance of their facial appearance under the makeup. But why does he buy human bones at auction? The lot was described in the catalog as "a complete set of human osteology" but they were not an ordinary "student's set," for the bones of the hands and feet, instead of being strung together on cat-gut, were united by their original ligaments and were "of an unsavoury brown colour." What does he want with those moldy bones? He has a nefarious plan, but it does not fool Dr. Thorndyke.

After Dr. Thorndyke solved the case of Percival Bland, the doctor was called in by a life insurance company to investigate another case. There was apparently no doubt that Thomas Elton, a friendless, poverty-stricken artist, had fallen from the top of the overhanging cliff onto the beach. Now, one would suppose with the evidence of this fall of about a hundred and fifty feet, the smashed face and broken neck, there was not much room for doubt as to the cause of death. But Thorndyke indeed has his doubts.

Your knowledge can inspire the mediocre, make them reading a e-book.

Howard Foster:

In this age globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher which print many kinds of book. Often the book that recommended to your account is Percival Bland's Proxy and The Missing Mortgagee this book consist a lot of the information in the condition of this world now. This specific book was represented how does the world has grown up. The language styles that writer use for explain it is easy to understand. Typically the writer made some study when he makes this book. Here is why this book suited all of you.

Jamie Norman:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's

country. So , this Percival Bland's Proxy and The Missing Mortgagee can make you feel more interested to read.
