## Songs of My Selfie: An Anthology of Millennial Stories

*SONGS OF MY SELFIE: An Anthology of Millennial Stories* celebrates the millennial through the works of up-and-coming fiction writers, all under the age of twenty-six. This collection features seventeen short stories by millennial writers about actual millennial issues, exposing this generation's true ambitions and frustrations, humor and heartbreak, despair and *joie de vivre*.

With fresh new voices and edgy prose, these compelling stories offer a cross-section of vibrant millennial characters: unemployed grads deep in debt, expectant mothers on the cusp of adulthood, online relationship addicts, and millennials at war with their families' expectations—even while stuck living at home. Here are the strong and the weak, the self-aware and those who reject reality—all carefully crafted to buck the common perception of the millennial. And yet, with a knowing wink, each story is accompanied by a selfie of its author.

Forget what the media says—SONGS OF MY SELFIE reveals what it really means to be twenty-something today.

#### **Wendell Darnell:**

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach

Chinese's country. Therefore this Songs of My Selfie: An Anthology of Millennial Stories can make you sense more interested to read.
