The Glacier

Jeff Wood

The Glacier Jeff Wood

"Call Jeff Wood's *The Glacier* what you will—a novel-in-screenplay-form; a prose poem on the themes of death, suburbia, and the cruel symmetries of cosmic time; a surreal prophecy from America's anguished heartland—it will remain what it was always aiming to be, and that's one of the most indelible and visionary movies you've ever seen."

—Jon Raymond, author of *Old Joy*, *Wendy and Lucy*, and *Meek's Cutoff*

A spellbinding work in the spirit of Tarkovsky or Jodorowsky that reimagines the American frontier at the turn of the millennium, a time when suburban development was metastasizing and the Social was about to implode. Following a caterer at a convention center, a surveyor residing in a storage unit, and the masses lining up for an Event on the horizon, *The Glacier* is a poetic rendering of the pre-apocalypse and a requiem for the passing of one world into another.

Jeff Wood is an actor and writer from Ohio currently living in Brooklyn and Berlin. He is a founding member of the experimental film/art group Rufus Corporation and the Wallabout Oyster Theatre Brooklyn. His ten-year collaboration with Eve Sussman and Rufus Corporation has resulted in the works *89 Seconds at Alcazar*; *The Rape of the Sabine Women*; and numerous international screenings including the Whitney Museum of American Art, MoMA NYC, MoMA SF, IFC Center NY, and Sundance New Frontier. He is a 2014 Fellow in Screenwriting from the New York Foundation for the Arts.
