The Island of Doctor Moreau H.G. Wells

“The crying sounded even louder out of doors. It was as if all the pain in the world had found a voice” At the end of the Nineteenth Century, a sailor is shipwrecked on an island inhabited by scientist Doctor Moreau. Exiled by London’s scientific community for his cruel and unnatrual experiments on animals, Moreau continues his work on the island. Very soon it becomes clear that Moreau’s experiments are not restricted to mere animals.... A new printing of H.G. Wells’ influential and morally challenging classic novel.
