Nyandoro was born the favorite. As the only girl of her parents' six children, she gets everything she wants without even asking for it. When the latest thing she desires is the wife of a village elder, she faces consequences she never had to before.

These consequences come with the dawn of a passion she didn't know existed, a carnal feast of flesh she can't get enough of. But on the night she gains the ultimate satisfaction from the woman she'd always wanted, she also loses every good thing she ever had. This loss takes Ny from the shelter of her family and home to the unknown wilds of a new world flush with ancient power, and into the arms of an old lover who has always been by her side.
