See Me: by Nicholas Sparks | Summary & Analysis

Nicholas Sparks has added an element of suspense to his latest novel. Known for his romantic and often tragic works of fiction, Sparks takes a spin into the lighter realms of the thriller genre while still staying true to his writing strengths. He creates two characters with nothing in common, brings them together by pure happenstance, and they immediately fall somewhat desperately in love. This is the case with Colin Hancock and Maria Sanchez as their romance blossoms overnight in the typical love-at-first-sight cliché that Sparks' fans have come to love.

Colin Hancock has lived a troubled life. His unbridled temper has landed him in too many fights to count and he is no stranger to being arrested. With the threat of prison looming over his head, he knows he has to change his course or risk losing his freedom. Now with a steady job and a stable place to live, Colin is focused on creating a future that he can be proud of, if only he can keep his anger in check. Maria Sanchez has always been an overachiever. Ever the studious one, she pulled the highest marks in school and landed a position with the D.A. straight out of law school. Life as an adult isn't quite as she imagined, however. Her current position at a high-level law firm is less than satisfying with a salary that barely covers her bills. And her love life is non-existent, much to the chagrin of her younger sister, Serena.

This companion includes the following:

- Book Review
- Story Setting Analysis
- Story elements you may have missed as we decipher the novel
- Summary of the text, with some analytical comments interspersed
- Thought Provoking /or Discussion Questions for both Readers & Book Clubs
- Discussion & Analysis of Themes, Symbols...
