This book is a legacy for my three daughters, whom I'd do anything for. The Hope that I have today is that my story will shed a new light on issues like teen promiscuity, the negligence and mis-education of black children, drug abuse, safe sex, AIDS; celibacy, and Human Trafficking issues in America. How we live our lives affects the people we love the most, and will play a significant role in how our children's futures turn out. We need to be mindful of what we teach our children, and become better parents in order to ensure them a better future, and a wonderful life. God Bless.
