Know the FAA Instrument PTS and your chances of passing your checkride are increased! The Instrument Rating Practical Test Standards is to be used by the pilot and examiner in conducting an FAA Instrument Rating checkride. Both the examiner and the pilot should completely understand the Instrument Rating PTS. This guide indicates exactly what should be evaluated during the checkride. Too often pilots are not familiar with evaluation requirements of the Instrument Rating PTS. This often can lead to a failure of the practical test. It is not a mystery what the FAA examiner will evaluate during the practical test. It is all explained in the Instrument Rating Practical Test Standards. Elite Aviation Solutions has reprinted the FAA Instrument Rating PTS for easy study by pilots. Taking time to review this book will not only help a pilot pass the practical test but will help the pilot understand their training requirements to be ready for the checkride. Elite Aviation Solutions has improved the layout of the Instrument PTS for easier reading.
