Let Jesus Heal Your Hidden Wounds: Cooperating with the Holy Spirit in Healing Ministry Brad Long, Cindy Strickler

Most people get hurt and suffer painful memories as a result of living in an imperfect world. But God's original plan for humanity included spiritual, emotional, physical, and relational wholeness. Through the example of Jesus, who heals from the inside out, readers will learn how to experience this wholeness and assist in the healing of others.

Let Jesus Heal Your Hidden Wounds speaks to the individual who wants to be or already is involved in healing ministry. This is not another technique for doing healing, but a description of how the prayer minister cooperates with the Holy Spirit to bring healing and deliverance to people with hidden wounds. Each chapter includes several questions for use in a Bible study setting or to provoke further personal reflection.

Those called to healing ministries will be taken to a new level of understanding and greater effectiveness from reading and studying this book. And those with hidden wounds will find new hope for restoration and freedom.
