Becca, almost 13, lives in her imagination, her escape from being class nerd. She's unaware that she possesses the spirit and relics of a revered healer of the Akwanakai, a Great Lakes area tribe. She is kidnapped and brought back 350 years by an evil shaman. Wanaga craves both the power within Becca and revenge against the woman who spurned him. Becca's escape leads to the love and respect of her people as she adjusts to a new body and a new reality. After her vision quest, Becca is Chenoa. Through courage and self-reliance, she becomes a healer. At 18, Chenoa fulfills her destiny as a shaman and finds the love of a young warrior. Yet she must face a life-threatening challenge from her nemesis Wanaga who seeks to destroy her and betray his own people to the white "Bear Faces." A grave personal sacrifice is her only chance to offer life to her spirit sister.
