The Laws of Sisterhood is the ultimate guide for single women, whether 18 or 48 and back dating again. If looking for love - or happily single but wanting the best out of dating - 'The Laws' give you confidence to make the most of today's complicated dating scene.

Research shows the stronger your friendships, the more confident you are to face dating highs-and-lows. Relationship, dating and self-help expert Dr Pam Spurr reveals how to strengthen and improve those all important friendships and how to help each other as friends from the first date onwards.

Dr Pam provides a vast array of tips, tricks and techniques to make you more 'dateable'. Including how to spot fascinating behavioural signs and body language signals in men. Plus she explains the must-know 'love profiles' that help you understand how women and men relate and date.

She includes extensive online dating advice, how to have great first dates, and building your new relationship. Making better choices about men, attracting good men into your life and top things to avoid that ruin dating are highlighted.

You'll discover how to get the sex you want, and how to recover your confidence when dating goes wrong.
