“With *The Rise of the Red Queen*, Bourne Morris is poised to become the queen of academic mysteries and suspense.” – Gigi Pandian, *USA Today* Bestselling Author of *Quicksand*

“Red Solaris is intelligent, tough, and vulnerable, a tricky combination to pull off, yet Bourne Morris does so beautifully and has given us a lead character we care deeply about. *The Rise of the Red Queen*, second in the series, grabs you by the throat and the heart on page one and never lets go.” – Annette Dashofy, *USA Today* Bestselling Author of *With a Vengeance*

“Intriguing characters, a complex, inventive plot with nail-biting suspense—I finished it at two in the morning!” – Jeanne M. Dams, Author of the Dorothy Martin Mysteries

“The morning Red Solaris interviews for the position of permanent dean, she learns student Jamie Congers is missing. In *The Rise of the Red Queen*, Bourne Morris deftly intertwines the stories of Solaris and Congers as the former navigates university politics (and romance) and the latter seeks simply to survive.” – Stacy Burton, Vice Provost, University of Nevada, Reno

“A sure winner. All the needed ingredients of an excellent mystery novel are present here: crimes, clues, anxiety, suspense, romance, intriguing locations (one of them frightfully eerie), and more...Readers looking for a page turner, will get one in this book, and will be pleasurably busy.” – Joseph Crowley, Author of *No Equal in the World: An Interpretation of The Academic Presidency*

“Morris has written another delicious pleasure, providing intrigue, plenty of campus drama, and strong female characters. Academic in-fighting, Red's ambition to become the new Dean, and her detective love interest keep the pages turning.” – Karen Penner-Johnson, Emerita Professor, Kansas State University

“Journalism dean, Meredith “Red” Solaris is pulled into another mystery when a student goes missing from campus...With Red's job on the line, she's finding it hard to put all her energies into the search. But somehow, she will have to find the strength, because time is running out for the missing young woman. This series gets better with each book. Red is a multi-dimensional, believable heroine.” – *Books for Avid Readers*

“The story involved me quickly, the suspense mounting so high that when my e-reader battery ran low, the warning buzzer made me jump. Morris has created a complete mystery with suspense and emotions burning like a Nevada sunset.” – Mark Bacon, Author of *Death in Nostalgia City*

A beautiful student is missing. Did she leave on impulse, or was it something more sinister? When the young woman's grandfather pleads for help, journalism dean Meredith “Red” Solaris agrees to help search for the student, but doesn't know she may have to risk everything to find her.

Worse yet, without solid evidence, Red and Detective Joe Morgan have little basis for investigation. Murky university politics—and Red's own struggle to keep her job—thwart efforts to find a girl held captive by a man willing to steal what he cannot win.
