Did you have some teens in your neighborhood who always seemed to be causing some sort of mischief? This is the second book in the "The Trouble with Boys" series. This book continues the adventures of a few friends surviving their teen years in the small town of Elmira Heights, NY. Though we were relatively good kids we ran into trouble at nearly every turn. Won't you join me as I take you on a journey as four friends come up with ideas to keep from getting bored. This typically led to the shenanigans that got us in a pickle. Maybe you'll laugh, gasp, and just enjoy the ride as you mosey mentally through the 1960's—a time that seemed much more innocent than today.
