Contemporary Tax Practice: Research, Planning and Strategies (4th Edition) John O. Everett, Cherie Hennig and Nancy Nichols

Contemporary Tax Practice: Research, Planning and Strategies will change the way you teach your tax research course, and the way future professionals learn how to perform tax research. This all new text provides a solid foundation of tax research skills by teaching the nuances of conducting tax research in today's environment. The book then provides exposure to frequently encountered tax planning topics and strategies, better preparing users for their future in tax practice. Build a solid foundation -- Early chapters are devoted to relevant legislative, administrative and judicial authorities, so users understand the how's and the why's behind tax practice today -- Users will gain a thorough understanding of how to perform tax research in today's environment -- Landmark judicial decisions are presented, covering areas such as gross income, deductions, property gains and accounting methods -- Users gain exposure to tax practice issues and learn about tax communications -- Each chapter features case studies and research questions which highlight the real-world relevance of tax research and tax planning while reinforcing concepts and skills learned in each chapter Then take it to the next level -- To most effectively prepare users for today's tax practice environment, this book offers coverage of many key tax planning opportunities and strategies on topics such as individuals, retirement, choice of entity, closely held businesses and more -- This book also provides coverage of critical financial reporting issues such as FAS 109, FIN 48, and Schedule M3, which significantly impact and influence the way practitioners advise their clients -- A chapter on Tax Reform Proposals is also included in order to familiarize the reader with terms and topics such as the flat tax, Value-Added (VAT) Tax, the Fair Tax and much more Interactive real-world tools -- Access to CCH's IntelliConnect™ the professional research package with fully integrated full-text primary source documents, analysis, and current tax news, including federal, state and international tax. Users learn how to do tax research on this CCH industry-leading platform and are also able to answer the research questions found in each chapter -- A dedicated product Web site will be available and will feature online interactive quizzes, tax news updates and more -- Instructors are also able to receive a CD ROM with end of chapter problem solutions and a test bank
