In the Beginning ... Isaac Asimov

In the Beginning: Science Faces God in the Book of Genesis by Isaac AsimovCreation. The beginning of time. The origin of life. In our Western civilization, there are two influential accounts of beginnings. One is the Biblical account, compiled more than two thousand years ago by Judean writers who based much of their thinking on the Babylonian astronomical lore of the day. The other is the account of modern science, which, in the last century, has slowly built up a coheren
