"If it's not worth fighting for its not worth loving."

Hazel Gray Hampton is beautiful, smart, and has a big heart with an even bigger ambition. Her deep-rooted love for her first love, Juelz is put to the test and the limits to their love will be quickly reevaluated. Instead of building her up she finds that he's beginning to tear her down but her naïve heart won't let her give up on him so fast. Will Hazel overcome the heartbreak, lies, and betrayal from the ones she loves most? Or will she let it consume her? Join Hazel on her journey through love and a small dose of ratchet-ness as she blossoms into the mature and successful young lady she was always destined to be.

Juelz is tall, dark, and handsome and while he could have any girl he wants his heart is set on having Hazel. Even though he is dangerously in love with Hazel, he just can't seem to be a one woman man. What happens when he pushes Hazel to the point of no return? Will he get his act together before it's too late, or will he lose her for good?
