**Necessary Secrets: National Security, the Media, and the Rule of Law** Gabriel Schoenfeld

**“Essential reading for anyone seriously interested in national security and freedom of the press.”?Leonard Downie Jr., *Washington Post***

Gabriel Schoenfeld “brilliantly illuminates” (*Wall Street Journal*) a growing rift between a press that sees itself as the heroic force promoting the public’s “right to know” and a government that needs to safeguard information vital to the effective conduct of foreign policy. A masterful contribution to the enduring challenge of interpreting the First Amendment, *Necessary Secrets* offers a gripping account of how our national security, now and across the American past, has been compromised by disclosure of classified information.
