From the Author's Note: After writing "ON RELATIONSHIPS: Embracing Love in Delicious Complicity," the notion arose somewhere in my imagination that various original phrasings of sentiments would make good quotes to convey some of the main themes of the book. Recognizing that not everyone has the time or inclination to read through an entire book of 422 pages, I set out to provide an easier and more accessible version that could be consumed in small doses on a daily basis. Framing this publication as a Personal Journal for 2016 means that readers can record their own thoughts and sentiments, either in response to the quotes provided, or in response to their own reflections on the nature of relationships. Ideally this exercise will serve as a trigger for further personal growth as individuals, and as couples.
