Waiting for Daisy: A Tale of Two Continents, Three Religions, Five Infertility Doctors, an Oscar, an Atomic Bomb, a Romantic Night, and One Woman's Quest to Become a Mother Peggy Orenstein

"Dazzling...the platinum standard for memoirs regarding couples struggling to become parents." *Seattle Post-Intelligencer*

Peggy Orenstein's widely hailed and bestselling memoir of her quest for parenthood begins when she tells her new husband that she's not sure she ever wants to be a mother; it ends six years later after she's done almost everything humanly possible to achieve that goal. Buffeted by one obstacle after another, Orenstein seeks answers both medical and spiritual in America and Asia, all the while trying to hold on to a marriage threatened by cycles, appointments, procedures, and disappointments. *Waiting for Daisy* is both an intimate page-turner and a wryly funny report from the front.
