Conversations with Roger Scruton

Mark Dooley, Roger Scruton

Conversations with Roger Scruton Mark Dooley, Roger Scruton

This book reveals what life was like for Roger Scruton growing up in High Wycombe, how he survived Cambridge and how he came to hold his conservative outlook. It tells of Scruton's rise to prominence while writing for *The Times* and sheds light on his campaign on behalf of underground dissidents in Eastern Europe. Ranging across topics as diverse as the current state of British philosophy, music, religion, and illuminating what lay behind Scruton's abandonment of academia for his new life on a Wiltshire farm, *Conversations with Roger Scruton* is an intimate portrait of a writer who has felt philosophy as a vocation and whose defence of unfashionable causes has brought him a wide readership in Britain and around the world.
