This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries' mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at [www.hathitrust.org](http://www.hathitrust.org).

#### **Carl Johnson:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Money: Natural law of money, international bimetallism, "free silver," currency : The silver question and hard times can make you feel more interested to read.

#### **Victor McDowell:**
