Second to None L.T. Marie

Brady Clark is a licensed physical therapist. She's trying to recover from the death of her only remaining family member and lives a life that is orderly and controlled, refusing to allow anyone or anything to upset that balance.

Skylar Preston likes to live on the edge, whether that means fast bikes or fast women. She depends on no one but herself because life has taught her one thing: no one hangs around long enough to matter. Before she can be released from the hospital after a serious motorcycle accident, she has to meet with one of the physical therapists. She's doesn't like depending on others, which makes Brady Clark's role in her life obtrusive and annoying.

They're both fighting demons, old and new. A relationship could be disastrous, but if they can listen to their hearts, it just might be worth the risk.
