El humor gráfico en la prensa cubana (Spanish Edition)

Luis G. Fresquet

El humor gráfico en la prensa cubana (Spanish Edition) Luis G. Fresquet

El humor gráfico en la prensa cubana de Luis García Fresquet, recorre brevemente el intrincado y controversial mundo de la caricatura editorial comenzando en el período entre 1952-1958 –período de dictadura y gobierno de Fulgencio Batista–, y continuando en 1959 con el humorismo en la prensa actual financiada y controlada por el gobierno. Ilustrado con caricaturas y páginas de los semanarios humorísticos Zig Zag, El Pitirre; las revistas Bohemia y Carton, y caricaturas políticas de los humoristas gráficos más destacados de las décadas de los años 50 y 60. // Cuba posee una larga y rica tradición en la sátira humorística y, principalmente, en la caricatura editorial política publicada en la prensa desde la época colonial española hasta la República en 1958. Tradición que continuó después de 1959 hasta el día de hoy, pero con criterios muy diferentes y con un marcado contenido ideológico antiimperialista y socialista. // Desde 1959, el concepto para todas las caricaturas editoriales que se publican en la prensa cubana es ideológico, afín a los principios de la sociedad socialista establecida en 1959. Y el contenido será siempre político, similar al de cualquier sociedad democrática, pero en Cuba se rige por los principios socialistas. // Los mensajes de las caricaturas satíricas no podrán cuestionar el sistema socialista ni podrán estar dirigidos contra los funcionarios del gobierno, ministros, autoridades militares y policiales ni contra los líderes o máximas autoridades del gobierno. // Para predecir el futuro del humorismo gráfico cubano en una prensa financiada y controlada por el gobierno, sería necesario consultar con los Dioses del Olimpo, si ello fuera posible.
