The Best of Weather Report (An Authentic Rendition of their Musical Style)

Weather Report

The Best of Weather Report (An Authentic Rendition of their Musical Style) Weather Report was an influential jazz fusion band of the 1970s and 1980s, pitting jazz with R&B, funk, and rock elements while still retaining an extremely high level of compositional and improvisational skills. Along with other groups that were founded by Miles Davis alumni (Return to Forever, Mahavishnu Orchestra, The Headhunters), Weather Report was one of the greatest innovators of the jazz fusion genre at that time. They were also the most long-lived and perhaps the most artistically of the four groups. This is a song book which contains the lyrics and sheet music to the tracks Birdland, Black Market, Brown Street, 8:30, Mr Gone, Night Passage and Young and Fine.
