The purpose of the Color Coded Gospels is to help the average lay person "see" the uniqueness of all four gospels. By merging all four gospels in chronological order into one it is possible to get a more detailed "big picture." In many situations each gospel has its own unique approach to telling the story. The goal of this work was to separate all four gospels while at the same time collaborating them. All four gospels were written to a different audience. This allows each gospel to add their unique piece to the overall picture. Pastor David Bowen is a graduate of Fuller Theological Seminary in Pasadena, California. He has been pastoring for twenty-five years and is currently the Senior Pastor of Standing Stones Community Church in Phoenix, Arizona. His ministry experience includes being a chaplain in professional baseball and has written a movie script for Worldwide Pictures. Pastor Dave also founded Interpreting the Times, a web and radio ministry focusing on the End Times. His DVD The Beginning of the End was released through Interpreting the Times. He currently lives in Phoenix, Arizona with his wife and their three girls. May God bless your heart's desire to know Him better!
