**The Moth in the Mirror (Splintered)** A. G. Howard

An original ebook-only novella in the Splintered series, told from the points of view of both Jeb and Morpheus. Morpheus wants to know more about his rival for Alyssa's affections, so he digs into Jeb's memories of his time in Wonderland. But he may be surprised by what he finds. This brand-new story and perspective from A.G. Howard's dark, magical world stands alone, but also provides a tantalizing glimpse of what's to come in *Unhinged*, the sequel to *Splintered*.
