A CAMPING TRIP GONE ASTRAY...A MATING CHASE...A NIGHT OF PASSION

Camp Redwood has always been regarded by the locals as “eerie” and “mysterious”. Howls echo throughout the night, and not everyone that goes there, returns...

When Clara and a few friends end up setting up camp there for the night, Clara becomes lost in the woods and stumbles upon a strange man with stranger secrets. He’s a **wolf shifter**, and an Alpha at that, and he’s got his sights set on the curvy Clara, willing to **chase her down** to stake his claim.

Clara Maxine has never been the most attractive to men. Her **unconventional curves** and **sassy attitude** often turn men away, but when she stumbles upon Alan in the middle of the forest, an unexplainable passion draws her in, and a challenge is presented: **run or be claimed**.

With shifters like these, though — maybe Clara wants to be caught, after all.

When Clara runs straight into the heart of the pack, **sparks fly** and the night will be filled with the **howling of wolves...**
