Blow-Up: Antonioni's Classic Film and Photography Roland Fischer, Philippe Garner

The 1966 cult film *Blow-Up* is not only the widely recognized, first English-language film from Michelangelo Antonioni, but can also be regarded as an excursion in photography. On a futile search for evidence of a crime he thinks he has seen, fashion photographer Thomas enlarges his pictures, pushing the envelope of the medium's boundaries. Antonioni's film, a milestone in film history, revolves around the issue of how much truth exists in perception and delves into the ways in which media reproductions can be manipulated. This publication examines *Blow-Up* from a photographic perspective, investigating in detail the photographic and art-historical stances presented in the film, as well as the genres it represents. The stylistic devices discussed range from social reportage, fashion photography and Pop art to abstract photography. In addition to film stills, works that can be seen in *Blow-Up* and photographs that illuminate the cultural context of the film, the famous, ambivalently incriminating photos are also included here. This volume demonstrates that *Blow-Up* has retained its relevance into the present day as a study of images and their multitudes of interpretations.

From reader reviews:

Patsy Hall:

The book untitled Blow-Up: Antonioni's Classic Film and Photography is the e-book that recommended to you to see. You can see the quality of the reserve content that will be shown to you actually. The language that author use to explained their way of doing something is easily to understand. The writer was did a lot of investigation when write the book, hence the information that they share for you is absolutely accurate. You also could possibly get the e-book of Blow-Up: Antonioni's Classic Film and Photography from the publisher to make you much more enjoy free time.

Effie Peoples:

People live in this new morning of lifestyle always try to and must have the free time or they will get large amount of stress from both lifestyle and work. So , once we ask do people have time, we will say absolutely without a doubt. People is human not really a huge robot. Then we ask again, what kind of activity do you have when the spare time coming to anyone of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the book you have read is Blow-Up: Antonioni's Classic Film and Photography.

Ricardo Kiernan:

Is it you actually who having spare time subsequently spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Blow-Up: Antonioni's Classic Film and Photography can be the answer, oh how comes? A book you know. You are thus out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these books have than the others?

William Glover:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just small students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Blow-Up: Antonioni's Classic Film and Photography can make you really feel more interested to read.
