Runaway Debt is a well-documented unique and creative attempt to identify and critique our legislative failures that need repairing without pointing specific fingers. It neither favors nor criticizes any particular person, party or political agenda. Runaway Debt is written directly to We the People, or every American voter-the only authority with the ultimate power to renovate America's governmental problems. Runaway Debt is also so revealing no living currently elected federal legislator would endorse the work prior to its 2009 publication.

A Republic is a country whose citizens are ruled by law. That insures order. A Democracy is a country whose citizens are ruled by the majority. That insures freedom. America is a Republic whose citizens regularly elect legislators who manage the law designed to govern the freedoms every citizen enjoys, therefore voting citizens hold the ultimate power under our half-n-half form of government. Climb aboard voters, we have much to accomplish.
