Everyone assumes Rosa Lee Altman lived a life without passion. But buried secrets are meant to be revealed. And no one is prepared for what they discover beneath Rosa Lee's overgrown roses -- or how her legacy will change their lives with love.

The once beautiful Altman home sits empty, its gardens overgrown, its windows boarded up -- an old lady, now silent, surrounded by what passes for progress in Clifton Creek, Texas. But if some of the townsfolk have their way, this lovely reminder of times past will be sold off to the highest bidder.

When a group of community members with little in common is chosen to decide the fate of "the old Altman place," they soon learn that this home is more than bricks and mortar. It's also a place that harbors a love so strong, it still has the power to change the entire town.
