Assassin Alex Morgan will do anything to save an innocent life—especially if it means rescuing a child from a hell like the one she endured.

But going undercover as husband and wife, with none other than the disarmingly sexy Detective Nate Sanders, may be a little more togetherness than she can handle. She's used to working alone, and no man is going to change that—not even a man who makes her heart pound and her defenses crumble with just a touch.

Nate has dodged more than a few bullets over the years, but fighting his attraction to Alex may be the bullet that does him in. Still, he's determined to help her find the missing kid. There's no doubt in his mind that they're walking straight into danger, but Nate's willing to face anything if it means protecting Alex. She may have been on her own once, but Nate has one more mission: to stay by her side—forever.
