Have you ever had that moment when you are in the middle of a conversation and suddenly the room becomes quiet and nobody knows how to move the discussion forward? Of course you do. Haven't we all? It's for this reason that I decided to write this book. What better way to break that silence than to throw out some of these facts: 1. Gorillas spend up to 14 hours a day sleeping. 2. One quarter of the bones in your body are in your feet. 3. In the 1830s, ketchup was sold as medicine. And so was Coca-Cola. 4. The longest English word without a vowel is "Rhythm". Whatever your motivation may be, there's a really good chance you'll find these facts and tidbits useful. So if you're ready, here are 250 facts that everyone should know about!
