Then he closes each entry with practical applications that each reader can use immediately.

You'll hear from an amazing array of poets, presidents, prime ministers, political leaders, social activists, soldiers, educators, journalists, business leaders, the Bible, religious leaders from many faiths, Native Americans, a lyricist, and relatively unknown authors.

This treasure of wisdom will activate your creative right-brain and then challenge your logical left-brain. The Foreword written by noted leadership authorities, Jim Kouzes and Barry Posner, captures it well:

"This is an inspiring book ... an informative and practical book ... a book full of the author's personal reflections, which stimulates you to think deeply ... an antidote to the hubris of know-it-all executives and authors ... a fast-read book; however, read it slowly, and savor it to the last drop. This book will surprise you with its insights and simple truths. This book is a treasure..."

You'll want to give copies to people you care about.
