## Poetry & Tales A Curse from my Father: Two Thousand Miles Away

*God had spoken,  
He had sent an angel  
Of death to take  
The young boy's breath.*

*Finally, the curse  
Dispersed in the wind;  
The curse of a  
Little boy and his sin.*

When he was ten-years-old, a curse was bestowed upon him. That's when a little boy's journey began; his visions and dreams, his thoughts and emotions, and his life taken over by a darker force stronger than his, as the grief in his heart matured year after year. The pain was more than he could bear. He was a cursed child, an orphan raised by an Angel, and these short poems and tales are his stories.

Truth be told, this book depicts the little boy's struggle growing up, every poem is based on a true story from his childhood, whether, it be a loss of a love, a moment of happiness, or resentment and death within his soul: His life--*A True Curse from his Father*--it has been all along. Writing was his only escape from reality. The little boy tried to forget his haunting past, but neither God, nor life would let him. "*We all have secrets.*"
