Hunted by alien enemies and desperate to survive the invasion, Bethany and Cade are forced into situations they never imagined were possible. As danger seems to lurk around every corner and new people enter their lives, they discover that not everything is what it seems, and that sometimes the answers they seek may lie in the last place they ever thought to look. In order to survive, they all must make a choice, continue to hide or make a stand. But all choices have consequences and those consequences lead to roads they never thought they'd travel. Roads that may very well divide them in the end. Sacrifices will be made, not everyone will survive, and through it all there is one question driving them all, who will prevail... mankind or the aliens? Edited by Leslie Mitchell at G2 Freelance Editing. The third and final book in The Ravening Series. Young Adult. This book contains some language, violence, and sexual situations. Recommended for ages fifteen and up. Cover art by EbookLaunch
