Printed in KOREAN. Yancey believes we are missing the supernatural hidden in everyday life. In this book he investigates the natural world and discovers the supernatural hiding in plain view. Nature and super nature are not two separate worlds, but different expressions of the same reality. To encounter the world as a whole, we need a more supernatural awareness of the natural world. He writes, "I have come to understand faith as the highest form of integrated encounter. Faith puts together, assembles, re-orders, accepting the entire world as God's handiwork."
