Strong Signal (Cyberlove) (Volume 1) Megan Erickson, Santino Hassell

I was counting down the months until the end of my deployment. My days were spent working on military vehicles, and I spent my nights playing video games that would distract me until I could leave Staff Sergeant Garrett Reid behind. That was when I met him: Kai Bannon, a fellow gamer with a famous stream channel. I never expected to become fixated on someone who'd initially been a rival. And I'd never expected someone who oozed charm to notice me—a guy known for his brutal honesty and scowl. I hadn't planned for our online friendship to turn into something that kept me up at night—hours of chatting evolving into filthy webcam sessions. But it did. And now I can't stop thinking about him. In my mind, our real life meeting is perfect. We kiss, we fall into bed, and it's love at first sight. Except, like most things in my life, it doesn't go as planned. *Strong Signal is a standalone, full-length novel with no cliffhanger*

From reader reviews:

Michele Sexton:

Book is to be different for each and every grade. Book for children until finally adult are different content. As you may know that book is very important for people. The book Strong Signal (Cyberlove) (Volume 1) was making you to know about other expertise and of course you can take more information. It is very advantages for you. The reserve Strong Signal (Cyberlove) (Volume 1) is not only giving you far more new information but also for being your friend when you truly feel bored. You can spend your current spend time to read your e-book. Try to make relationship while using book Strong Signal (Cyberlove) (Volume 1). You never truly feel lose out for everything should you read some books.

Mary Tobin:

Reading a publication tends to be new life style with this era globalization. With examining you can get a lot of information that can give you benefit in your life. Having book everyone in this world can share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their own reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on this planet always try to improve their talent in writing, they also doing some study before they write on their book. One of them is this Strong Signal (Cyberlove) (Volume 1).

Kimberly Moore:

Your reading 6th sense will not betray anyone, why because this Strong Signal (Cyberlove) (Volume 1) e-book written by well-known writer who really knows well how to make book which can be understand by anyone who read the book. Written in good manner for you, dripping every ideas and creating skill only for eliminate your hunger then you still doubt Strong Signal (Cyberlove) (Volume 1) as good book not simply by the cover but also through the content. This is one book that can break don't determine book by its handle, so do you still needing a different sixth sense to pick that!? Oh come on your examining sixth sense already said so why you have to listening to an additional sixth sense.

Joshua White:

A lot of publication has printed but it is unique. You can get it by web on social media. You can choose the most effective book for you, science, comic, novel, or whatever by searching from it. It is named of book Strong Signal (Cyberlove) (Volume 1). You'll be able to your knowledge by it. Without making the printed book, it could add your knowledge and make you happier to read. It is most crucial that, you must aware about publication. It can bring you from one destination for a other place.
