Excerpt from The Story of the Western Reserve of Connecticut

This volume is intended to present in a convenient form, gathered from many sources, the leading facts concerning the Western Reserve of Connecticut.

There is no book that treats the subject in this way, and it is therefore believed that such a work will be of general interest, not only to the present residents of this Paradise of Ohio, to whom it is addressed ; but also to those whose early lives were spent here, and to whom now, as they wander far from the old home, "Fond memory brings the light of other days."

We who reap where others sowed can enter into the full appreciation and enjoyment of our possessions only through a study of the conditions that have made those possessions possible. This book is an introduction to that profitable and inspiring study.

Early Workers.

For much of their knowledge of the early days on the Reserve, and particularly of early Cleveland, readers of history are indebted to Col. Charles Whittlesey, Judge C. C. Baldwin, Hon. Harvey Rice, and others. The adventures, privations, and fortitude of the early settlers have been pictured by these writers in a style that is highly entertaining. To a full and unreserved acknowledgment of the help afforded by the researches of these pioneers in the field, it is not necessary to add an apology for attempting, not a repetition of what they have so well done; but a work of somewhat broader scope, and therefore, of more general interest.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
