## **You & Me: A Novel** Padgett Powell

Padgett Powell, author of the acclaimed *The Interrogative Mood* and “one of the few truly important American writers of our time” (Sam Lipsyte), returns with a hilarious Southern send-up of Samuel Beckett’s classic *Waiting for Godot*.

Truly a master of envelope-pushing, post-postmodern American fiction, in a class with Nicholas Baker and Lydia Davis, Powell brilliantly blends the sublime, the trivial, and the oddball in *You & Me*, as two loquacious gents on a porch discuss all manner of subjects, from the mundane to the spiritual to the downright ridiculous.

At once outrageously funny and profound, *You & Me* is yet another brilliant, boundary-bursting masterwork, proving once again that, “there are few writers who understand both the beauty and the absurdity of language as well as Padgett Powell” (Kevin Wilson, author of *The Family Fang*) and that, “Padgett Powell is one of the best writers in America, and one of the funniest, too” (Ian Frazier).

*You & Me: A Novel* won the James Tait Black Prize for Fiction.
