## **Conspirators of Gor (Gorean Saga)** John Norman

Picking up where the alien war between Kurii and the Priest-Kings left off, a young woman by the name Allison Ashton-Baker, involved in playing Gorean games on Earth, is transported to Ar to become a major witness of the unfolding events. We meet again with Lord Grendal, the result of a failed experiment to mix the genes of humans and Kurii; the Lady Bina, former pet of Agamemnon, who dreams of becoming Ubara of Ar; and Agamemnon himself, eleventh face of the Nameless One, the illustrious mastermind behind the Kurrian invasion. Packed with action, and, as usual, presented with a spicy dressing of cultural relativism and critical remarks on modernity and gender relations.

Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire.

***Conspirators of Gor* is the 31st book in the Gorean Saga, but you may enjoy reading the series in any order.**
