Abby and her little brother, Jonah, have a magic mirror in their basement that takes them to different fairy tales -- which they always wind up messing up. But sometimes, it's for the better: Snow White doesn't eat the apple, Cinderella gets a job she loves, etc. In this enchanting ninth installment, the siblings fall into the story of Aladdin. They're excited to be in this world of magic carpets and genies ... but making three wishes isn't so easy, and soon hilarities and hijinks ensue! These books are feminist fairy tales for a new generation.
